Financial Statements

December 31, 2014

Independent Auditors' Report

To the Directors of Homeless Connect Toronto

We have audited the accompanying financial statements of Homeless Connect Toronto, which comprise the balance sheet as at December 31, 2014, the statement of operations and changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide for a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Homeless Connect Toronto as at December 31, 2014, and the results of its operations, changes in net assets and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

HOMELESS CONNECT TORONTO

Notes to Financial Statements

December 31, 2014

1. NATURE AND PURPOSE OF THE ORGANIZATION

Homeless Connect Toronto is a not-for-profit organization incorporated without share capital under the laws of the Province of Ontario on October 23, 2013.

The organization coordinates a one day events – essentially a “one-stop-shop” for supports and services for individual’s at-risk or experiencing homelessness.

2. SIGNIFICANT ACCOUNTING POLICIES

These financial statements are the representation of management and have been prepared in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the CPA Handbook and include the following significant accounting policies.

Revenue recognition

The Organization follows the deferral method of accounting for contributions. Unrestricted contributions are recognized as revenues in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Contributions explicitly and implicitly restricted by the donor are deferred when received and recognized as revenues in the year in which the related activity takes place and expenses are incurred. In kind donations are recorded at their estimated fair values only when the goods and services would have otherwise been purchased by the organization.

Financial instruments

The organization initially measures its financial assets and financial liabilities at fair value. It subsequently measures all its financial assets and financial liabilities at amortized cost.

The financial assets subsequently measured at amortized cost include cash, and amounts receivable. The financial liabilities subsequently measured at amortized cost include accounts payable and accrued liabilities.

Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

Contributed services

Contributed goods and services are recorded on the financial statements only when fair value of these goods and services can be reasonably determined and the goods and services are used in the normal course of operations and would otherwise have been purchased.
